

Perth local Danni K Realises Her Dream with Debut Single Release

Perth, WA – Perth-born singer-songwriter Danni K is set to make waves with the release of her deeply personal debut single, *“When It’s Over,”* on 17 October. This country/pop track marks a milestone for the local talent who has been making her own music and crafting her sound since her early teens.

Danni K, a graduate of the Western Australian Academy of Performing Arts (WAAPA), has honed her craft through live performances at some of Perth’s most iconic venues such as The Bird, Mojoes and The Rosemount, including regular gigs at the RAC Arena’s bars before major events. But music has always been more than a side gig for Danni—it’s her passion and dream.

With a sound that blends the soulful depth of Maren Morris, the lyrical storytelling of Kacey Musgraves, and the bold energy of Miley Cyrus, Danni K brings a fresh yet unique voice to the modern country-pop scene.

While working a day job at a national property developer, Danni has never stopped pursuing her artistic ambitions. Her debut single, *“When It’s Over,”* explores her deeply personal journey from a shy young girl with a notebook full of lyrics to an artist ready to share her voice with the world. The song explores the bittersweet emotions of letting go of a past relationship, and will resonate with listeners who have faced similar challenges.

“This song almost stayed in my notebook,” Danni admits. *“It’s raw and deeply personal, but that’s exactly why I think it will connect with others.”*

Inspired by a blend of her parents’ love for classic bands like Fleetwood Mac and INXS, and her own experiences, Danni K has developed a unique sound that bridges country and pop, full of heartfelt lyrics and emotional depth. Her music isn’t just about catchy melodies—it’s rooted in her deep desire for human connection.

Danni’s story is one of persistence, passion, and the pursuit of a dream. As a proud Perth local, her rise from WAAPA student to a pub and wedding cover singer to finally release her own music reflects her unwavering commitment to her music.

“When It’s Over” will be available on all major streaming platforms from 17 October 2024.
